### 2010 Pay 2011 Property Tax Bills

Special Message to Property Owners – If you did not receive a pink form for the Homestead benefits with your tax bill then the form was completed in 2010 and is on file in the Auditor’s Office.

Table 1: Summary of Taxes – Line 4b “Minus homestead credit” has a dollar amount listed for 2010 and zero for 2011. The 2010 credit was a benefit from the State which is no longer in effect. This is not the Homestead Deduction. Please view Table 5 “Deductions Applicable to this Property”. This table informs the property owner which deductions they are receiving for 2010 pay 2011.
